

Statement for Parish Council Meeting

The PCC has agreed to send the DAC an outline plan and photographs for an internal reordering of the church, asking for their views in principle, in time for their meeting on April 25th. However it is hoped that consultation with user groups will shortly begin, the outcome of which cannot be predicted at present. It is expected that the consultation may take some time, but it is important to engage with all interested parties to reorder the church in a way that is complementary to the Community Centre on the Green. There will be a PCC meeting on May 10th where this will be discussed in more depth, and a further update will be forthcoming on progress made.
